To customise the logo

Fab Cities may customise the logo with their own city name

1. Download logo file logo_fabcity_TEMPLATE_300px.ai
2. Download and install the font file CPMono_v07
2. Using Adobe Illustrator, replace the text "NETWORK" with the name of the city.
3. Save as logo_fabcity_NAME OF CITY_300px

Do not make changes to the colours, aspect ratio or form of the logo
Do not change the font, style or text size

How to use the Logo

Logo to be included on the Fab City organisation website

Logo can be included on print communications materials of the Fab City organisations
